

End Point Assessment (EPA)

Appendix C.1

Level 3 Apprenticeship Standard

Learning & Development Practitioner

APPENDIX C.1

Delivery - recording Instructions

Name of apprentice:	
Submission date:	

The delivery phase for the training cycle includes actual delivery of a developed L&D solution. **This must not be simulated delivery.**

The format will best suit the learning solution developed and is not limited to any one particular mode.

The delivery must be recorded using a format that can be transferred easily to the CIPD by the submission date. The recording must be secure and accessible. It can be uploaded or shared on-line by providing the direct URL. Choose whichever option works best, just remember it is your responsibility to ensure the independent assessor has full access to the recorded evidence.

Please test the playback facility before submitting it for end point assessment.

Provide clear instructions:

1. What format is your recording?	
2. Duration: (<u>minimum</u> two and <u>maximum</u> seven hours)	
3. Has the recording been sent to CIPD or is it accessed online? Provide URL for online:	
4. Provide detail for any system or compatibility tests required prior to the assessment:	
5. Provide detail for any software download requirements:	
6. Provide detail for any privacy settings or passwords required	

The independent assessor must navigate through the recording and find evidence of competence against the specific knowledge, skills and behaviours for the apprenticeship standard.

Provide precise labels for locating the evidence (evidence can be covered at different times within the recording):
