Subject: 100 Days to success

Hello all,

Thank you for your time today.

Please see attached presentation so you can refer back to.

Next step will be for you to create your individual plans which I would like you to send to me before the end of the week.

These plans should include what you want to achieve within 100 weeks, but more importantly, how. Things like:

- how many candidate calls you will be making and when? for example Wednesday morning doing 20 candidate calls or Tue, Wed and Thu between 10 and 11
- how many client contacts and when?
- how many CVs sent?
- How many posts on LinkedIn
- how much time spent on research
- how many drops a week and when

It could be anything you believe will help push your hours and revenue up.

As I said in the meeting, thank you for joining the gym! we will now have group PT sessions on a weekly basis, 20-30 min, just getting an update on your progress and remember, I am here to help you achieve your goals!
